Mi-Star Q Mobile App

Dearborn Public Schools is pleased to announce the availability of ParentConnect (Mi-Star) as a mobile app. The app allows parents to do a number of things, including:

- reporting their child's absences without calling the school office, which is a new feature
- checking their student's grades and attendance
- looking at their child's food service balance, if their child chooses to buy items instead of or in addition to the free lunch and breakfast offered at school

Simply search for Q ParentConnect on the App Store for your device. (Note the icon image listed below.)
