## My life in Quarantine

Hi, My name is Nour Alawamreh, I had to be quarantined because I sadly came in close contact with someone who had covid, these past 6 days have been gruesome! For starters, it's just me and my 2 little sisters.. In a house.. During quarantine. I've been so bored I have practically lost my mind. I have been at home doing absolutely nothing but homework! I have done a bit of activities around my house, but nothing too exciting. I learned a bit of chinese..... Nǐ hǎo! That means hi, I think... I have also tried to knit, but it didn't end well. You need patience and well let's say I'm not the sit still and knit for 3 hours straight type of person. Oh and I picked up a little on cooking! I'm pretty proud of myself, before I could only make precooked chicken strips and fries, but now I can make fish with a side of seasoned potatoes (even though I hate fish I still ate the delicious potatoes)! Still, being quarantined sucks, I missed the volleyball game against Lowery on Tuesday, (which was the only game I was actually looking forward to.) I missed the playoffs on Thursday and the championships on Friday! I can't play volleyball at home because all my balls keep going to our neighbors backyard they're old and not the kind of "friendly" old so they can have the ball(s). I missed the Math tests, the History test and Ms. Alasry probably had a test for us too and honestly I would be happy to miss a test, but not if my grade depended on it. The worst part is that it's the last week of the cardmaking and that's when it gets super stressful. I'm just glad I can go back to school on Monday and get away from my house! You would think I would be happy to see it, NOPE I never want to see it again. I don't have any more space on this paper to write about anything else so uh stay safe and don't catch covid (it really sucks)!

## The Wildcat Corner

### Battle Against Hunger

We had a successful Battle Against Hunger campaign! The very generous Salina community donated 2344 cans of food and \$836! This will go a long way towards winning the battle against hunger in our community. Thank you Wildcats!

### Breast Cancer Pink Out

Salina staff and students participated in a fundraiser during the month of October. We raised a total amount of \$1,278, which has been donated to Rainbow Connection. Thank you to our staff and students for their ongoing generosity! Our Mayor Abdullah Hammoud was our guest visitor!

### Cooking Matters Class

Salina Intermediate Students who joined the Cooking Matters Class will learn important nutrition facts and as well as prepare healthy foods.

Students are able to watch a demo and help prepare a meal for the class. Each student goes home with ingredients to remake the recipe with their family

### Early College

In January 2022, district Early College application for 8th graders will be available. The application will close Monday, the 31st. Testing has not been decided yet by our office, but this will give your school 1 month to complete the application and if any student is missing from your BLDG group, they can come to you and it can be resent.

## **Salina School Spelling Bee**

Our school is participating in a School Wide Spelling Bee, all winners will move onto the Dearborn District Spelling Bee. One winner from our school will be able to participate in the Scripps Regional Spelling Bee.

The finalists from grades 4 and 5 will compete in our Salina School Spelling Bee on December 7.

The finalists from middle school will compete on December 8.

The final Scripps Spelling Bee will be on December 9.

**Good luck to all Salina Students!**
